## Rafferty's Garden Happy Tummies Vegetable Risotto Best Before 10 Aug 2018 Best Before 12 Aug 2018

The recalled products have been available for sale in most major retailers and some pharmacies throughout Australia.

**Problem:** Rafferty's Garden has been advised that the Arborio rice we used in two batches of our Happy Tummies Vegetable Risotto may contain glass.

**No other Rafferty's Garden product or batch is affected by this recall.**

**Food Safety Hazard:** Food products containing glass may cause injury if consumed.

At Rafferty's Garden, we take food safety and the safety of our little consumers very seriously. We have been advised that there was an issue at the Arborio rice manufacturers where glass has entered the production process and was not detected.

Although we are confident of our rigorous quality screening mechanisms in place, we have initiated a recall of the affected batches as a precautionary measure.

**No other Rafferty's Garden product or batch is affected by this recall.**

**What to do:** Consumers should not eat this product and should return it to the place of purchase for a full cash refund.

We apologise for any inconvenience caused.
