

URGENT RECALL

**Banana Boat Baby Zinc Sunscreen Lotion SPF50+,
AUST L 407089**

Edgewell Personal Care Pty Ltd, following agreement with the Therapeutic Goods Administration, is performing a recall for all unexpired batches of Banana Boat Baby Zinc Sunscreen Lotion due to potential product separation.

No other Banana Boat Sunscreens are affected by this recall.

If you have a tube from the above batches do not use it. Visit the Banana Boat website www.bananaboat.com.au to request a refund and then discard the product.

For further enquiries, contact Edgewell Personal Care Pty Ltd Consumer Service on **1800 761 186**

Some affected products may appear uneven in texture or show separation of water from the formula, indicating the ingredients may no longer be evenly mixed. This can make the sunscreen harder to apply evenly and may reduce the level of sun protection.

Anyone who is concerned in any way about the use of this product should consult their doctor.

Edgewell Personal Care regrets any inconvenience to their customers.
