WHEN YOUR NEEDS ARE DIFFERENT, SHOULDN'T YOUR **OWNERSHIP ASSURANCE PLAN** BE TOO?

I don't keep cars for more than 3 years. I just want to be protected with the assurance of a good resale value, hence I simply chose the 3 years/45k km Buyback Plan for MY SHIELD.

I spend a lot of time on the roads. I want to be assured of worry-free maintenance of my vehicle and have peace of mind. For MY Shield, I opted for a 5yr/unlimited km warranty and RSA along with the 5 years/75k km Premium Protect Plan.

I use my office cab for work commute and only use my car on weekends for off-roading. Knowing that I can always depend on timely roadside assistance works wonders for me. I opted to go for a 4 years RSA extension, along with a 4 years/60k km Classic Protect Plan for MY SHIELD.

We at MG understand that everyone has different requirements for their car.
