#ChangeWhatYouCan

**The world may be too big
for us to change.**

But what we can change,
is change our world.
The space and the people around us.
The environment we live in.
It is what we can do. And must do.

Often, all it takes is a simple idea.
Though at first only a few see its
potential, and others doubt it.
Only a few applaud its intention,
and others question it.

But these few eventually end up
changing the world.
One person at a time.

These are the ones who will
drive the MG ZS EV.
And change their environment.
And eventually, the world.
One car at a time.

About MG ZS EV

The MG ZS EV is not just India's first pure Electric Internet SUV, but also a catalyst for change.

At MG, we believe change begins with a few, the ones who lead from the front and inspire others to do the same.

A step in the same direction, MG ZS EV, the global SUV is designed for the few who would like all the benefits of a zero tail pipe emission vehicle but in style.

The MG ZS EV does not compromise on aesthetics, has an excellent build quality, would thrill you with its performance and is powered by i-Smart EV 2.0. Style, substance, performance – all comes packed with the MG ZS EV.

5 Reasons to not worry about charging

Enjoy hassle free charging with multiple options for your MG ZS EV.

AC Fast Chargers*

AC fast charger provided and installed by MG India at your home or office, free of cost. 80% charging in **6-8 hours**.

Battery Safety Standards

The battery is the heart of an EV. Which is why we do everything possible - and sometimes what's not - to ensure that it is the safest, and the most cared for thing in your car.

UL 2580: Standard For Safety

Eight Super Critical Tests

Short Circuit

Soaks

Dust

Fire

Extrusion

Collision

Smoke

Fall

IP67: Standard For Safety

Waterproof & Dustproof

Insulation Monitoring

Electromagnetic Shielding

Collision Monitoring

High Voltage Interlock

Overload Protection

Safety is Paramount

As safety is the key, your MG ZS EV comes with European Standards.

Based on European standards

European E-MARK

European REACH

Environmental standards in the car

European E-NCAP

Safety Standard Design

UL2580

Battery Safety Certification

IP67

Dust and Water Resistance Index

Performance

PERFORMANCE STATS

Battery Capacity

44.5 kWh
(Ultra High Density Battery)

Range

3 Driving Modes

Sport

Accelerated driving mode for an exhilarated driving experience.

Normal

Driving mode with balanced range and driving performance.

Eco

Efficient driving mode to maximize range.

Features

Exterior

Breathable Glow Logo

R17 Machined Alloy Wheels

LED DRLs

The London Eye Headlamps

Inspired by the majestic London Eye, true to its British genes, the London eye headlamps give the MG ZS EV a powerful persona, the kind which makes your MG ZS EV stand out in the crowd. Not only it aesthetically compliments the grille but also brings out the glam quotient.

Exclusive Front Grille

Inspired by the magnetic fields between the celestial bodies, the MG ZS EV Grille connotes the same. The deep concave grille is complimented with enough chrome to get the bling on.

Racing Tail Lights

The taillights depict the plough, also called big dipper. They are inspired by the seven brightest stars of the constellation Ursa Major. The side design depicts the phantom that flies through the corners.

Windmill inspired Alloy Wheels

Inspired by the iconic Dutch Classic windmills, the wheels of MG ZS EV look sturdy and powerful lending the SUV a premium appearance.

PM 2.5 FILTER ON

CAR AIR QUALITY

PM 2.5 Filter

MG ZS EV comes equipped with an inbuilt PM 2.5 Air Filter to provide healthy air inside your SUV cabin. Which means even if PM 2.5 measurement outside is 200-300, the level inside the car will be safe, less than 30 AQI, in just under 5 minutes. You breathe pure as your ZS EV breathes pure. One could safely say that you roll up the windows for a breath of fresh air.

CO₂ Savings

Save CO₂ and reduce your carbon footprint every time you drive the MG ZS EV - bring a positive impact on the environment around you.

Total CO₂ saved
1,500 kg

i-SMART **EV** 2.0

60+ Connected Car Features

EV SPECIFIC FEATURES

BATTERY & RANGE STATUS

Know current battery level, real time remaining range on the app.

360 SPIDER NAVIGATION

Know the dynamic range in each direction from your current location based on the traffic/road conditions.

CHARGING INFORMATION

Know the time remaining to charge, charging current & voltage when the vehicle is on charge on the app.

RANGE ALERT

Get alerts if the distance is out of the car's remaining range and suggestions for the nearest charging station at the location where the range ends.

ECO-FRIENDLY UPDATES

Know contribution made to the environment in terms of CO₂ saved & share it with friends.

CHARGING STATION INFORMATION

Search the charging stations on the inbuilt maps and get detailed information about them.

VOICE RECOGNITION

Find nearby charging stations, check battery status and remaining range via voice commands. Over 100+ voice commands activated by saying "Hello MG".

OTHER FEATURES

60+ Connected Car Features

M2M EMBEDDED SIM

M2M (Machine to Machine) embedded 5G-ready SIM with Internet Protocol Version 6 (IPv6).

OVER THE AIR [OTA] UPDATE

New software, new voice recognition commands and entertainment content and more updated over the air.

REMOTE VEHICLE CONTROL

Controls functions remotely like AC on/off, door lock/unlock, light flashing and honking with your mobile app.

E-CALL

Self initiated emergency call sends a message and location to 24/7 pulse hub if airbags are deployed. The pulse hub calls the car and owner for immediate assistance.

I-CALL

Get a call from the MG pulse hub for general assistance or road side assistance at the touch of the i-Call button.

KNOW YOUR VEHICLE STATUS

Scan car for status check before every journey or anytime you want.

GEOFENCING

Set Geofence (outwards or inwards) upto 100 km & receive notification if the car leaves the safe perimeter preset by you.

NAVIGATION

Online navigation with live traffic updates for a faster smoother drive.

PRELOADED ENTERTAINMENT CONTENT

Preloaded entertainment content in head unit.

SMART DRIVE

Driver analytics- harsh braking, running idle, routes taken etc. on the app to improve driving skills.

SECURITY ALERT

Get alerts on the app in case of abnormal door open, abnormal ignition on, vehicle overspeed etc.

i-SMART **EV** 2.0

60+ Connected Car Features

FIND MY CAR

Find car's location & the shortest route to it on your app.

WI-FI CONNECTIVITY

Connect the car to internet via connecting to an external wi-fi network in addition to the embedded sim.

GAANA PREMIUM ACCOUNT

Download & store upto 100 songs from built-in Gaana Premium Account.

WEATHER

Know the weather status & weather forecast upto 5 days for any location.
